

Craft Class for Kids

A fun class for boys and girls of all ages. Get creative with a project you get to take home! Cutouts are premade out of wood and the kids can paint/decorate them how they like. All supplies and a snack will be provided. This class we will offer a MN cutout and a deer cutout. Kids can choose to do one craft or both. If your child would like to make one or both but cannot make it, please let us know and we can put together a kit and they can make it at home.

Look for more craft class opportunities in the future (flyers will be send home in child's backpack).
