- I will communicate with parents using REMIND.
- I will have a zoom meeting at 10:30 each school day. The link for the meeting will be sent on Remind each morning. If students do not join, I will privately message or call them and use these check-ins as attendance.
- I will send a link by Monday morning to a pdf that has all the academic videos and website or app-based assignments for the week. These are almost all set as direct links.
- Folders were sent home with math workbook pages, as well as packets for language arts and enrichment. Journals, handwriting books and extra packets were also sent.
- I will be available by email: [tlanter@wheaton.k12.mn.us](mailto:tlanter@wheaton.k12.mn.us), Remind, or phone 701-640-8972 each school day from 8:00-3:00.
