

Kindergarten

Amanda Olsen

Office Hours: 7:45-3:30

Phone: 320-563-8282 ext 221

aolsen@wheaton.k12.mn.us

- I will communicate to parents via Remind.
- I will have a zoom meeting at 10:00 each school day. The link for the meeting will be sent on Remind each morning. If you choose not to join, I will contact you to take “attendance” with Remind.
 - During the zoom meetings, we will learn how it works and also share with each other and teach mini lessons to help with what is in the folders.
- I will send a link almost every day on Remind for a read aloud.
- There are two folders for your child along with packets on top. The brown folder holds materials for week 1 and week 2. The green folder holds the materials for week 3 and week 4. Each week has an assignment sheet with the whole weeks’ materials paperclipped together. The packets on top are things for the month.
- The extra supplies will be needed throughout the process. (egg, money, soil)
- Each week I will email a pdf of the week’s lessons. Much of it will have direct links to either a video or website.
