Dear Parents,

After speaking with the Regional Support Team, we have been given approval to start school with our students attending with Scenario 1, the “In-Person” learning model. We will continue to monitor our Traverse County COVID-19 positive case rates. Increases to those numbers could create a need to change into Hybrid, or Distance-Learning.

But for Tuesday, September 8th, the first day of school will be “In-Person.”

I know I speak for the entire Wheaton Area Schools staff when I say we all look forward to seeing your student at the school on Tuesday!

Have a good evening.
