Minnesota's Educational Basic Formula Allowance (Lines) and ISD 803 Funding Shortfall (Bars)

Although voters approved a new \$200K operating levy request in 2021, these additional dollars do not cover the gap between state funding and inflation.

What has the District been doing?

For Fiscal Year 2025, the district has reduced their operational expenditure budget by over 5%.

Without these two referendum questions, the next round of expenditure reductions for Fiscal Year 2026 will dramatically re-shape Wheaton's educational program offerings and services.
